

## **English to Spanish Translator**

Number of Posts: 1

Our website is an entertaining and informative site that gets millions of visitors every month from South America.

### **Job description**

We are currently looking for talented translators (English to Spanish) and content editors. Our translators / content editors are in charge of finding, translating, curating and also creating the content for our website. This position involves writing, translation, internet search, editing, paraphrasing and many other duties as our site runs 24/7.

### **Requirements**

- Good (and fast) writers – fluent in Spanish (able to write South American style) and having a high enough level of English to translate from English to Spanish
- Very proficient with internet applications, content search
- Are creative and ready to come with content ideas of their own
- Are looking to grow and learn in a web-based environment

### **Training provided**

Yes

### **Any assistance with accommodation/relocation**

None

### **Salary**

14,000 -22,000 Euros/ yearly depending on experience

### **How will the interviews be held**

Interviews should be in the office or over Skype. Candidates will need to complete a couple of translation tasks.

### **Any other Information**

Our office is located in Mriehel, Malta. The position is full time, Monday-Friday. This is not part-time, nor can it be done from home.
